Lapbook Templates You Can Type On!

Fans have been asking us to do this for a few years, and we finally did it! Here are some of the most popular templates from Homeschool Share. **These are special because you (or your student!) can type right on the page before sending it to your printer.**

Please Help Us Spread the Word!

Please spread the news about our new educational tool. Encourage friends, family members, and fellow educators to go to visit Homeschool Share so they can download the templates for their own personal and classroom use.

Should You Share This File with a Friend?

No, you shouldn't. It seems silly to hold a copyright on a "free" product, but we have our reasons. Instead of sharing this file, please encourage your friend(s) to visit Homeschool Share. Sending them to the website allows us to continue to keep Homeschool Share FREE.
